Traffic awareness campaign

India has one of the worst road traffic in the world. With traffic violations on the rise in the city, the department of traffic police-Pune had taken an initiative to create awareness on the need for traffic rules. 6th October was the traffic awareness day so around 120 students from division A & F had participated in traffic awareness campaign.

This campaign was not just about creating awareness among the public but making them realize the seriousness of traffic violations. It was an attempt not only to spread awareness about traffic rules but also highlight the importance of safe driving among the students. With the purpose of creating awareness about traffic rules in the city our college had participated in this campaign. Students highlighted following points in traffic awareness campaign

1) Use helmet
2) Avoid drink and drive
3) Importance of safety belt
4) Traffic rules
