About SCES

Indira School of Business Studies PGDM (ISBS PGDM) was established under the aegis of Shree Chanakya Education Society (SCES). SCES began as a trust in 1994, under the visionary leadership of Dr. Tarita Shankar, with an explicit vision to provide sustainable impetus to the corporate and entrepreneurial abilities in the youth. Unrelenting initiatives by the management team at Indira led to the creation of multi disciplines such as Management, Information Technology, Pharmacy, Commerce, Science and Engineering. All this growth is enabled and sustained by the expertise and exertions of Prof. Chetan Wakalkar, Group Director, Indira Group of Institutes, whose commitment and concern for students' development stands unmatched. SCES has grown steadily and today boasts of several Institutes, having more than 12,000 students, from all over India pursuing multi-disciplinary graduate and post-graduate programs. The Institutes managed by SCES have maintained high academic standards and have successfully provided trained manpower to the diverse industry sectors of the country.
